Salam El Baba
MSc Finance student

"What I like the most about the MSc Finance is that the work we do is realistic. Also, Barcelona is the place you have to come to if you want to network, you can't cover all you can do in this city in a whole year. Here, in TBS Barcelona, you also realize how big the world is: there are lots of international students and professors".

YUAN Jing
MSc Banking & International Finance alumni

"I had a fantastic time in TBS. They helped me to become a profesional. The professors are outstanding and really really nice! And I made friends from all over the world, we did projects together, shared our ideas, everything was wonderful. Now I'm doing my internship in HSBC in Shanghai thanks to TBS!"

Global Alumni Community

TBS has an active global community of **30,000 alumni**. The alumni association offers social and profesional networking opportunities, an alumni directory and career support for both current students and graduates.

Professional world

The global business world is constantly changing and is still dealing with the effects of the recent financial crisis and the subsequent economic downturn. In this current environment, companies need managers and executives who are ready to lead and implement changes that successfully address current and future challenges. Our goal is to train and educate such individuals - to create change leaders.

Our courses cover a broad spectrum of topics, which ensures that graduates are qualified for a wide range of career opportunities and have the tools to adapt their developing careers.

Jean-François Verdié

Director of the MSc Banking & International Finance

"The content of the program gives students the opportunity to deepen their knowledge of financial markets through case studies, role plays and other practical education methods. Beyond the academic

curriculum, participants develop their professional, management, and leadership skills through customised individual training. This ensures that all students in the program develop personally, as well as improving their employment prospects after graduation"
